

HISTORY MAKER GOLF Championship Golf Game ★ PLAYAY Gamer Open Tournament ★ Friday, August 7, 2021

This is our SIXTH edition of the PLAYAY Gamer Open. We originated it (under a slightly different format) to celebrate the game's launch at a live event in Atlanta, March 2017. Randy Alton and Brian Aronov were co-winners that day. We held two events in 2018, one in Charlotte in March (won by John Weber) and a second one at the very first PLAYAY-Dot-CON in Denver in July (won by Mark Russell). The 2019 event, also a convention event, was expanded to two rounds and won by Silas Williams. Last year's Open was played entirely on-line as part of our "virtual" convention, PLAYAY-NOT-CON 2020. This year, we have *both* online and in-person components to the tournament.

This year's event will be two rounds on the fabulous Seven Wonders Golf Tour. Virtual convention-goers will play the course solo, on your own tabletop. (Of course, if you're able to gather with another gamer in-person, feel free to play the rounds together!) You'll then report your results on the "pinned" leaderboard thread at the top of the PLAYAY-Dot-CON Facebook Group page. The top four golfers will qualify for a final championship round, streamed live on the PLAYAY Games YouTube Channel on Monday, August 9th.

We've created six different "Seven Wonders of the World"-themed golfer cards, representing varied but equal levels of pro play: Seasoned Pro, All-Around Solid, Hazards Pharaoh, Star of the Green, Big Hitter, Iron Sharpshooter. You'll choose the card you want to use; once you tee off, you won't be allowed to change cards—so choose wisely!

Standard game rules will apply, including chip usage and "playing safe" or "going for it" on white die "6" results. Strategy card usage won't be allowed for this event. We will also forego the usual pre-round "Match Day" roll.

Questions or comments? Let us know! The email address is info@plaay.com. Good luck!
